

SANGOMA CaseStudy

ISCA, the national accountancy body of Singapore, is established as an advocate accountancy profession, complementing its global mindset and leveraging the expertise, knowledge, and networks with diverse stakeholders to contribute.

SOLUTIONS

PRODUCTS

- » Cloud Hosting
- » Digium A-Series
- » Sangoma S-Series
- » Sangoma ZULU Desktop

PROFESSIONAL SERVICES

- » Project Planning
- » Infrastructure Setup
- » Maintenance Program

KEY BENEFITS

- » Reliable and Seamless Communication
- » Smooth VoIP Quality
- » Flexibility and Scalability

The Challenge

ISCA requested a tech refresh to upgrade their existing communication backend system from Analogue to Digital.

Winning Strategy

- Hypercom, in partnership with local telco Singtel, was able to introduce a full Cloud Solution for the institute to scale up if required in the future.
