Software License and Warranty Information

This Sangoma product contains Licensed Software

IMPORTANT: this is a legal agreement between you and Sangoma Technologies Inc. ('Sangoma'). Rights in the software product are offered only on the condition that you agree to all the terms and conditions of this agreement (the 'Agreement'). By installing, copying, downloading or otherwise using this software product, you agree to be bound by the terms of this Agreement, including, but not limited to, the Sangoma software license and limited warranty agreement written on this page.

Sangoma Software License

The Agreement applies to the software pre-programmed or pre-loaded within this hardware (the 'Hardware') and any software on any distribution media supplied to you with this product (collectively the 'Software'). You agree that all upgrades, enhancements or improvements to any of the Software subsequently supplied to you by Sangoma or Sangoma's authorized agents, distributors or resellers on any distribution media or via any form of electronic distribution will be subject to the terms, conditions, limited warranties and remedies of this Agreement unless you are bound by terms of a different Sangoma license distributed with the Software. The Software is owned by Sangoma or its licensors and is protected by copyright laws and by international treaty provisions.

Sangoma or its licensors retain ownership of the Software and no rights are granted to you other than a license to use the Software on the terms expressly set forth in this Agreement. This Agreement imposes certain restrictions on your use of the Software.

Sangoma grants you the following limited license provided you comply with all terms of this Agreement:

- use the Software with the Hardware included within this package and upgrade the Software drivers of your other compatible Sangoma Hardware ('Permitted Upgrades').
- make copies of the Software for back-up purposes or Permitted Upgrades provided that when each copy of the Software you create has been used for this purpose it is destroyed. You must include all copyright and other notices included on the Software on any copies you make.
- make copies of the documentation and the written materials accompanying the Software and/or the Hardware supplied by Sangoma, but only for use within the organization to which you belong, and only for the purposes of installing and using the Software and the Hardware and for Permitted Upgrades.

You may not:

- make any copy of any of the Software other than for back-up purposes or Permitted Upgrades or duplicate any Software onto ROM or similar devices that were not supplied by Sangoma unless permitted in this Agreement.
- use the Software for any purpose other than as permitted in this Agreement.
- sublicense, rent, loan or lease the Software or documentation to another.
- transfer or assign your rights to use the Software except upon a transfer of any associated Sangoma Hardware with which or for which the Software was supplied, and then only if the transferee agrees to be bound by all of the terms of this Agreement.

Sangoma and its suppliers, as applicable, reserve all rights not expressly granted to you in this Agreement.

You acknowledge and agree that:

- if you upgrade any older Sangoma Hardware ('Upgraded Products') with any of the Software, that this Agreement will thereafter apply to such Upgraded Products. However, any warranties will be those supplied with the original product and will run from the date of purchase from Sangoma or Sangoma's authorized distributor or reseller.
- if you obtain any other Sangoma Software product and are not bound by a written Sangoma Software license and limited warranty, then you agree that you are using such Software in accordance with the applicable terms of this Agreement.
- the underlying design of all Sangoma Hardware and the structure, sequence, organization and source code of all Sangoma Software are valuable trade secrets of Sangoma or its licensors or suppliers.
- you shall not decompile, disassemble, reverse engineer, or modify in any way, any of the Hardware, Software or Upgraded Products, except to the extent that the foregoing restriction is expressly prohibited by applicable law. To the extent that you have the right under applicable mandatory laws to perform any of these activities, you shall first make a request by providing Sangoma with written notice detailing the basis for such right and only if and after Sangoma, at its sole discretion, partly or completely denies your request shall you exercise any of your statutory rights to perform any such activities.
- the export of the Software, Hardware and Upgraded Products may be restricted by the export control laws of the United States and other countries. You agree to comply with all such applicable export control laws.
- without limiting the rights that the licensors of Sangoma otherwise have to protect their rights in all copyrights, design rights, know-how, confidential information, patents, inventions, trademarks, registered designs or integrated circuits ("Intellectual Property Rights"), each of such licensors are third party beneficiaries of this Agreement for their respective Software products (in accordance with the Contracts (Rights of Third Parties) Act 1999 or other applicable legislation) and may have the right to enforce such terms against you.
- this Agreement, and the license granted hereby, is effective unless terminated or rejected. You may terminate this Agreement as to any Software at any time by destroying such Hardware, Software, the related media, and all related back-up copies and documentation. Upon any violation by you of any of the provisions of this Agreement, or in the event that you take or suffer any action on account of debt or are insolvent, this Agreement will terminate and your right to use the Software, Hardware and Upgraded Products will automatically terminate and you will be obligated to return to Sangoma or destroy all of such Software and to return to Sangoma all of such Hardware.

- this Agreement will be governed and construed in accordance with the laws of the province of Ontario and the federal laws of Canada, as applicable, other than its provisions concerning the applicability of laws of other jurisdictions, and you hereby submit to the jurisdiction of the courts of Ontario, Canada. Notwithstanding the preceding sentence, Sangoma shall have the right to seek injunctive relief in any court of competent jurisdiction.
- This Agreement is the complete and exclusive statement of your agreement with Sangoma with respect to the subject matter hereof and supersedes all prior agreements or communications, written or oral, with respect to the subject matter of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall remain in full force and effect.

Moreover, the provisions set forth above state Sangoma's entire responsibility and your exclusive remedy with respect to any breach of any warranty.

LIMITATION ON LIABILITY; NO LIABILITY FOR CONSEQUENTIAL DAMAGES: under no circumstance and under no theory of liability will Sangoma or its licensors or suppliers be liable for costs of procurement of substitute products or services, lost profits, lost savings, loss of information or data, or any special, indirect, consequential or incidental damages whatsoever, arising in any way out of this agreement or the sale, license or use of, or inability to use, any Sangoma product (Hardware or Software) or service, even if Sangoma has been advised of the possibility of such damages, and notwithstanding any failure of essential purpose of any limited warranty.

The warranties, limitations and remedies contained herein allocate risk of Software, Hardware and media breach of warranty or other liability and Sangoma's prices reflect the allocation of such risk. Certain jurisdictions restrict the ability to (a) exclude implied warranties, (b) limit or exclude incidental or consequential damages, or (c) limit liability imposed under product liability laws. To the extent any such restrictions apply to you and may not be waived, the foregoing limitations and exclusions may not apply to you. If, notwithstanding the above clauses, Sangoma is subject to any liability in connection with the Software or Hardware, whether arising from negligence, breach of contract or otherwise, Sangoma's liability will not exceed the sum paid by you to Sangoma for the Hardware and Software that did not comply with the Sangoma Technologies Inc. warranty.
