

Why Choose

Vi

Sangoma

wholesale carrier services

for Toll-Free Services

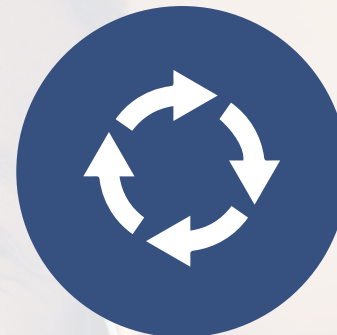

Large Number Inventory

Choose from an inventory of thousands of available toll-free numbers, including original '800' numbers. Don't like what you see? You can place vanity requests for phone numbers and if it's available, we'll grab it for you.

Provisioning Made Easy

Instantly provision numbers using our extensive BackOffice portal and APIs.

99.999% Reliable 6X Carrier Redundancy

Keep your customers connected with redundancy across six major toll-free carriers.

24x7 Customer Support

Our Network Operations Center (NOC), Technical Assistance Center (TAC), and Customer Success Team are here to help you around the clock.

We Solve Small-to-Medium RespOrgs Challenges

Sangoma Wholesale Carrier Services offers access to six different top-tier, toll-free service providers to route over via a single contract – extending their reach while we manage the multiple relationships for you.

Off-net Toll-Free Services

If you already have your own toll-free numbers with another provider but need more out of your service, Sangoma Wholesale Carrier Services lets you bring your numbers with you to route over whichever carriers you want.
